TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world."

This line, the ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S. BARNETT, Southern Passenger Agent, Postoffice Box 242, Chattanooga Tenn., or to the undersigned.

W. B. DAVENPORT, General Ticket Agent, St. Louis.

The State Department in its management of the Virginia imbroglio, could only deal officially with the Spanish government. But there exists a power both in Spain and Cuba which has to be considered by the Madrid authorities; and this power is intensely hostile to the United States. Any day may see the overthrow of Castelar, and a Cabinet organized, or a government instituted, whose first mission will be to undo all that Castelar has done to settle the matter.

President Grant and his Cabinet evidently do not consider that the subject as settled. The preparations at the dock yards and arsenals, and the rendezvousing of ships at Key West are not tokens that peace is a certainty.

Hon. A. M. Waddell. It was not intended as an injustice by the Post to say that Hon. A. M. Waddell had introduced a bill in Congress to restore the franking privilege. Indeed we stated we had no objection to the privilege itself; if its abuses could be guarded against, we would be willing to see it restored.

The error in saying that Col Waddell introduced the bill, we made in following the Washington Chronicle. By the New York Times, we see that Mr. Leach of this State introduced, or gave a notice of his intention to introduce, such a bill.

For the trifling advance of twenty dollars per capita, American farmers can commence the operation of securing English labor. Mr. Joseph Arch will take it upon himself to obtain invoices of live Englishmen for America, provided the passage money which the immigrant pays is reduced to five dollars. The inquiry arises, has not Mr. Arch been seduced by the example of Sergeant Bates to merely make a spectacle of himself. There is enough unemployed labor in America to make it a bad investment to import the article from abroad at such a rate.

A Disaffected Newspaper. It is paraded by the opposition that the Staats Zeitung, a German paper published in Chicago, has declared that it no longer a supporter of the Republican party; and the extraordinary fact is asserted by the enemies of the Republicans that the Zeitung represents a hundred thousand German votes in the Northwest. It cannot be conceded that the New York Tribune, in the meridian of its power, could carry more than a hundredth of the number of votes assumed for the German paper. It is doubtful whether the ablest paper in the United States can, by its defection from a political party, carry a hundred voters along with it.

The assumption that the change of one hundred thousand votes was either the cause or effect of the Zeitung abandonment of a party it has so long supported, is without foundation. The change can, perhaps, better be accounted for by the fact that Senator Carl Schurz is about to leave Missouri, and carry his fortunes and ambition to Chicago, and that the Zeitung is trimming its sails to catch any breeze of favor which the Senator's coming may bring.

We beg leave to correct the Raleigh News. The dog and turtle story appeared in the Peoria (Ill.) Review. We refer the News to the December number of the Insurance Age, page 425, where he can see the story which surpasses those of the Danbury man.

GENERAL ASSEMBLY.

(Condensed from the Raleigh News.)

SEVENTEENTH DAY'S PROCEEDINGS. SENATE. SATURDAY, Dec. 6. Senate met at 10 o'clock, Lieutenant Governor in the chair. Journal of yesterday read and approved. Several reports from Standing Committees were submitted.

Introduction of Bills. By Senator Mabson: A bill to lay off and establish a new county by the name of Jefferson. Referred.

By Mr. Love: A bill in relation to the insane. Referred to Committee on Insane Asylum.

By Mr. Troy: A bill regulating interest. Referred to the Committee on Finance.

Resolutions. The joint resolution asking R. B. Creevey to complete the history of North Carolina, unfinished by the death of the Rev. Dr. Hawks, and asking an appropriation for that purpose not to exceed the sum of \$5,000, was taken up.

Mr. Love objected to the appropriation part of the resolution, but was willing to allow Mr. Creevey to write as much history as he desired.

Mr. Waring desired to know who was B. Creevey?

Mr. Grandy passed a high tribute to the literary ability of Mr. Creevey, and at some length advocated the passage of the resolution, its necessity, &c. He referred to the opposition of Mr. Love as contemptuous, and said it was no more than he expected that he should be willing to bury in oblivion the historic deeds of North Carolinians, &c.

Mr. Love replied to the lengthy speech of Mr. Grandy, by saying it was like the devil shearing the pig—much fuss for little wool.

The resolution failed to pass the second reading.

The resolution in regard to letting out the public printing to the highest bidder was next taken up.

Mr. Morehead called the previous question.

Mr. Seymour called the yeas and nays and the call was sustained. The resolution failed.

Messages Received.

From the House, transmitting a resolution, asking the concurrence of the Senate, requiring the Adjutant General to deliver to the veterans of the Mexican war the flag presented by the ladies of Raleigh to the Regiment that went from this State to Mexico.

Mr. Love opposed the resolution, and moved to lay it on the table, saying the best place for the flag was in the Adjutant General's office.

The previous question was called on the passage of the resolution, which being sustained, passed its several readings by 25 yeas to 5 nays.

HOUSE OF REPRESENTATIVES.

The House was called to order at 11 o'clock, a. m., Mr. Speaker Robinson in the Chair.

Journal of yesterday read and approved.

Several petitions were presented and appropriately disposed of.

By Mr. Moring, resolution in relation to the United States Post Office to be built in Raleigh. Calendar.

By Mr. Lloyd, a bill concerning inspection the city of Wilmington. Referred.

By Mr. Trivett, a bill to exempt from taxation \$300 worth of personal property.

By Mr. Blythe, a bill to exempt from taxation \$300 worth of personal property. Referred.

By Mr. Craig, a bill concerning elections in this State. Referred.

By Mr. McNeil, a bill in relation to the bonds of Sheriffs. Referred.

On motion of Mr. Ellison, the bill requiring County Commissioners, in drawing jurors, not to make any distinction on account of race, color or previous condition, was taken up. The Clerk read the unfavorable report of the Judiciary Committee upon the bill.

Mr. Ellison spoke in advocacy of his bill despite the unfavorable report. He said that in certain counties of the State, people of his color were excluded from the jury box. He said that the law on this matter was all right, but there was nothing behind it to enforce it.

He wished, as the bill provided, to make it a misdemeanor for making this unjust distinction. He proceeded to speak of the prejudice against the colored race and said in the course of his remarks that there were more colored convicts in the Penitentiary on account of prejudice than from any other cause, &c.

Mr. Williamson, thought that if there were any counties in which the law in this respect was disregarded, he was in favor of affixing a penalty to enforce that law, &c.

Mr. Cuyther moved to amend by adding the words "except such as are excluded by law." The amendment was accepted.

Mr. Houston opposed the passage of the bill of County Commissioners if they exceeded their powers and duties they were liable to indictment. He proceeded to show that there was no ground of complaint as to the laws as they now stood, &c.

Mr. Freeman moved to lay the bill on the table.

The yeas and nays were called and the motion to lay on the table prevailed, by a vote of 41 to 31.

By Mr. Bennett, a bill to increase the homestead and personal property exemption. Referred.

By Mr. Bennett, a bill to save harmless honest representatives of deceased persons. Referred.

On motion of Mr. Johns, the bill authorizing the Dan River Coal Field Railroad to purchase the Atlantic, Tennessee and Ohio Railroad, was taken up and passed its several readings.

On motion of Mr. Moring, the resolution in relation to the United States Post-office, Court House, &c., to be built in Raleigh, was taken up and adopted.

Adjourned.

Office Treasurer and Collector.

CITY OF WILMINGTON, N. C.
November 22, 1873.

Resolutions

Concerning Bridges over Wil-
mington and Weldon Railroad
in the City of Wilmington, N.
C.

WHEREAS, THE "CUT" MADE BY
the Wilmington and Weldon Railroad
Company, in the construction of the said
road, which crosses or intersects the
streets in the city greatly impedes the
passage of travelers and tends to the man-
ifest injury of the citizen.

AND WHEREAS, The Board of Alder-
men have advised that it is the duty of the
said W.ilmington and Weldon Railroad
Company to erect and maintain bridges
across the cuts which cross or intersect the
streets in the city, and to the effect, here-
fore, resolved by the Board of Aldermen
that the following points, where the
said Railroad intersects the following streets
to wit, Second Street, Third Street, Fifth
Street, Sixth Street, Seventh Street and
MacRae Street.

RESOLVED, That in the opinion of this
Board, the width of the bridges over said
Railroad cut, on excavation on Second
Street should be thirty feet wide, on Third
Street forty feet wide, on Fifth Street fifty
feet wide, on Sixth Street twenty-five feet
wide, on Seventh Street, twenty feet wide,
on MacRae Street, twenty feet wide.
